

PARK NOTICE

Welcome to Edwards Park-Westside Park-Riverbend Park! Whitfield County is very proud of our facilities. Our parks consist of some sort of turf. To help insure our facilities stay nice the following rules are mandatory.

- No Seed Shells of any type allowed in the park. Shells get embedded into the turf and must be removed by hand. Patrons will not be allowed to drop shells on the ground.
- Animals must be leashed and stay in grass areas. No animals will be allowed on concrete. We understand the need for service animals. Reminder service animals must perform a certain task for a disabled person. Emotional animals are not considered service animals. Please don't be offended when we ask.
 - No Metal Spiked Cleats
 - No Chewing Gum, Candy or Tobacco allowed on turf

Thank you for following these rules and we hope you enjoy your time in this park!

(Anyone who fails to follow these rules will be asked to leave)
