All,

Construction on Toro Grande Blvd is continuing to progress. However, they have been blocking lanes and reducing down to one lane at times.

Please plan ahead, as this can cause back-ups and increase time to get in and out of the facility

When leaving ASC we suggest you turn right on Toro Grande and head to New Hope Dr.

Please understand this is out of our control. We do not have a timeline for this project, but we will keep you informed of any new developments.

Thank you again for your understanding,
