TXBA Spring/Summer Events 2026 Rules & Information

CLOCK/BOOK: Home team (listed on top) will provide game ball and book keeper. Visitor (bottom) provides clock worker. Again, we encourage flexibility when needed. Table volunteers must maintain positive and respectful interactions with refs, coaches and players. The warning, technical foul, and ejection process applies as they represent their team.

CONDUCT OF COACHES, PLAYERS, & SPECTATORS: The Head Coach listed on the team roster will be held responsible for the actions of his/her team/fans. Coaches are responsible for supervising the children playing on their team. They are also responsible for instructing the players on their team so they know the rules necessary to safely participate in the games. Coaches must follow and communicate with their team/fans the rules herein and the expectations set forth in the TXBA Code of Conduct. If any coach is assessed a technical foul, then no coach on that bench is allowed to stand for the duration of the game. Any coach, player or spectator whose behavior is disruptive to the event will be ejected from the premises. If the individual(s) refuse(s) to leave when directed, the Site Director is empowered to declare a forfeit against the associated team and disqualify the team for the rest of the event without any refunds. TXBA reserves the right to not allow any person ejected future admittance and/or participation in TXBA events.

No form of physical or verbal violence, including hate language and threats, will be tolerated. Any physical or verbal violence will result in immediate ejection from the event, and TXBA reserves the right to disqualify the team for the remainder of the event without any refunds to the team or spectators. If a physical altercation occurs, then the game will be suspended at the point of interruption. If any parent enters the court without permission from the officials, then the team will be disqualified for the remainder of the event without any refunds. Any adult who makes physical contact with someone else's child without permission will be banned from future TXBA events.

PROTESTS: Head coaches may protest a player's eligibility before the start of any game. The \$100 protest fee must be paid to the Site Director at the time of the protest and will only be refunded if the player is proven to be ineligible. When a player's eligibility is protested, that player's head coach must provide the Site Director with copies or pictures of the player's current student ID with a picture and 25-26 grade and birth certificate. If the student ID does not have a grade, then a 25-26 dated report card is also required. If the appropriate documentation is not available, then the player will not be eligible to play until eligibility can be verified by the Site Director. If the player is proven to be ineligible due to being in the wrong grade or being older than allowed, the player will not be eligible to play and the team will start the game with a technical foul for having an ineligible player on the roster.
