(5<sup>th</sup> Grade and Below ONLY; ALSO applies if 5<sup>th</sup> is combined with 6<sup>th</sup> Grade)

- Man to man defense only, with **no double-teams except for help defense inside the 3-point arc.**
- Help defense is limited to leaving individual coverage to help stop an offensive player that has beaten his or her defender inside the 3-point line or has received a pass inside the key.
- No double teams or help defense off the ball to prevent a player from receiving a pass. This applies anywhere on the court.
- **No double teams on the ball.** If a player on defense is beat, another defensive player may switch to cover the offensive player that has the ball. If the original player pursues and recovers, this is considered a double team, and one of the two defensive players will have to leave and find another player on the court to defend.
- **No zone or trapping defense whatsoever.** Coaches are expected to honor the no zone defense rule. If the officials determine that athletes are not playing man to man defense, the below warnings will take place:
  - **First warning: Stop play, no penalty.**
  - **Second warning: Stop play, no penalty.**
  - **Third warning: 2-point penalty and 6-foot rule is enforced.**
- **6-foot rule:** all defensive players on the court must stay within 6 feet of the offensive player they are guarding. This includes if the offensive player is inside the 3-point line.
- **If the DYSports team believes a team is taking advantage of these rules, we reserve the right to make adjustments as needed to ensure a better developmental experience.**
